

Graduated Kiwanis International Dues – effective 4/1/2010

The new fee schedule applies to all clubs in Kiwanis—Tiers A, B and C. A “tier” is a group of countries. The U.S. is in Tier A. The amounts below are just for tier A.

This change is related to the elimination of anniversary date (date of club’s founding) that previously determined the billing cycle for dues. **All Kiwanis clubs will now be billed each year for dues in October based on their September 30th roster.**

The fee will be based upon the date the new member is entered at Kiwanis International. So, if a club sends an “add” in January for someone who joined two months ago, they will be charged the January rate. The graduated enrollment fee brings the member into Kiwanis, until the club is billed in October 2010.

Districts will decide whether to implement a similar fee structure. Kiwanis International will continue to charge the current fee, if applicable.

The attached rate applies only to new members of existing clubs.
